

What is Preschool Promise?

Preschool Promise is a model for a publicly-funded, high-quality preschool system. Preschool Promise leverages high-quality, local and culturally-relevant early child care and education programs and makes them available to children living at 200% of the poverty level. By incorporating a mixed delivery approach which recognizes that high quality early learning experiences can take place in a wide variety of settings, Preschool Promise provides opportunities for families to access and choose the preschool setting which best meets their needs.
